

YAŞAR UNIVERSRITY, GRADUATE SCHOOL OF NATURAL AND APPLIED SCIENCES BINDING TEMPLATE INFORMATION AND RULES ABOUT APPROVED FINAL VERSION DELIVERY OF THESIS:

Students, whose theses are decided successful by the jury following the defense, are obliged to submit their approved final version of the theses to the Graduate School along with the other necessary documents. The binding of those approved final version of these theses need to be in line with Yaşar University's Corporate Logo and colors. Therefore, the theses, which are not misfit with the determined standards, will not be accepted.

- 1- The bound size of the thesis should conform to A4 size.
- 2- In line with Yasar University's Corporate colors, front cover of Master's theses need to be **BLUE** with the code of "**MAVİ CMYK 50/10/0/0 RGB 094FA3**" and Ph.D. theses need to be **DARK BLUE** with the code of **LACİVERT CMYK 81/59/28/63 RGB 183249**". Both the Master's and the Ph.D. theses need to use **WHITE** Yasar University Logo as shown templates (those templates are available in the following bullet) without doing any changes in size and shape. The writing on the front covers should also need to be in **WHITE** as in template.

In this regard, it would also be helpful to check the Usage of Corporate Colors and Logos in the following link "[Kurum kimliği, kurumsal öğelerin kullanımı ve uygulama biçimleri kılavuzu](#)".

- 3- Please use below templates for your front cover of the bound copy. Those Master's and Ph.D. templates are ready to print, just make necessary changes or write necessary personal information on them. You can reach those templates in the following links:
[Masters' binding ready to print template](#)
[PhD binding ready to print template](#)
- 4- Please also pay attention to the following drawing. This drawing will provide you a general sense about spine of the cover and front cover of the bound copy.
